Watch the folds

1 Print the template

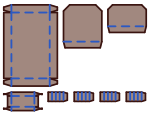

Print the page at 100% on colored paper. The dashed line around the bed is where you cut.

2 Cut it out

With a grown-up helping, cut out the bed, the headboard, the footboard, the pillow and the four leg strips.

3 Fold up the bed

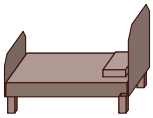

Fold down the four sides of the bed and glue the corner tabs inside. Fold up the pillow box the same way.

4 Make the legs

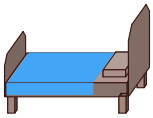

Fold each leg strip into a square tube and glue its tab. Glue one leg inside each corner.

5 Add the ends and pillow

Fold the tabs on the headboard and footboard and glue them on the ends. Glue on the pillow.

6 Draw the blanket

Marker 1: draw a blue blanket over the bed, down to the side.

7 Add stars

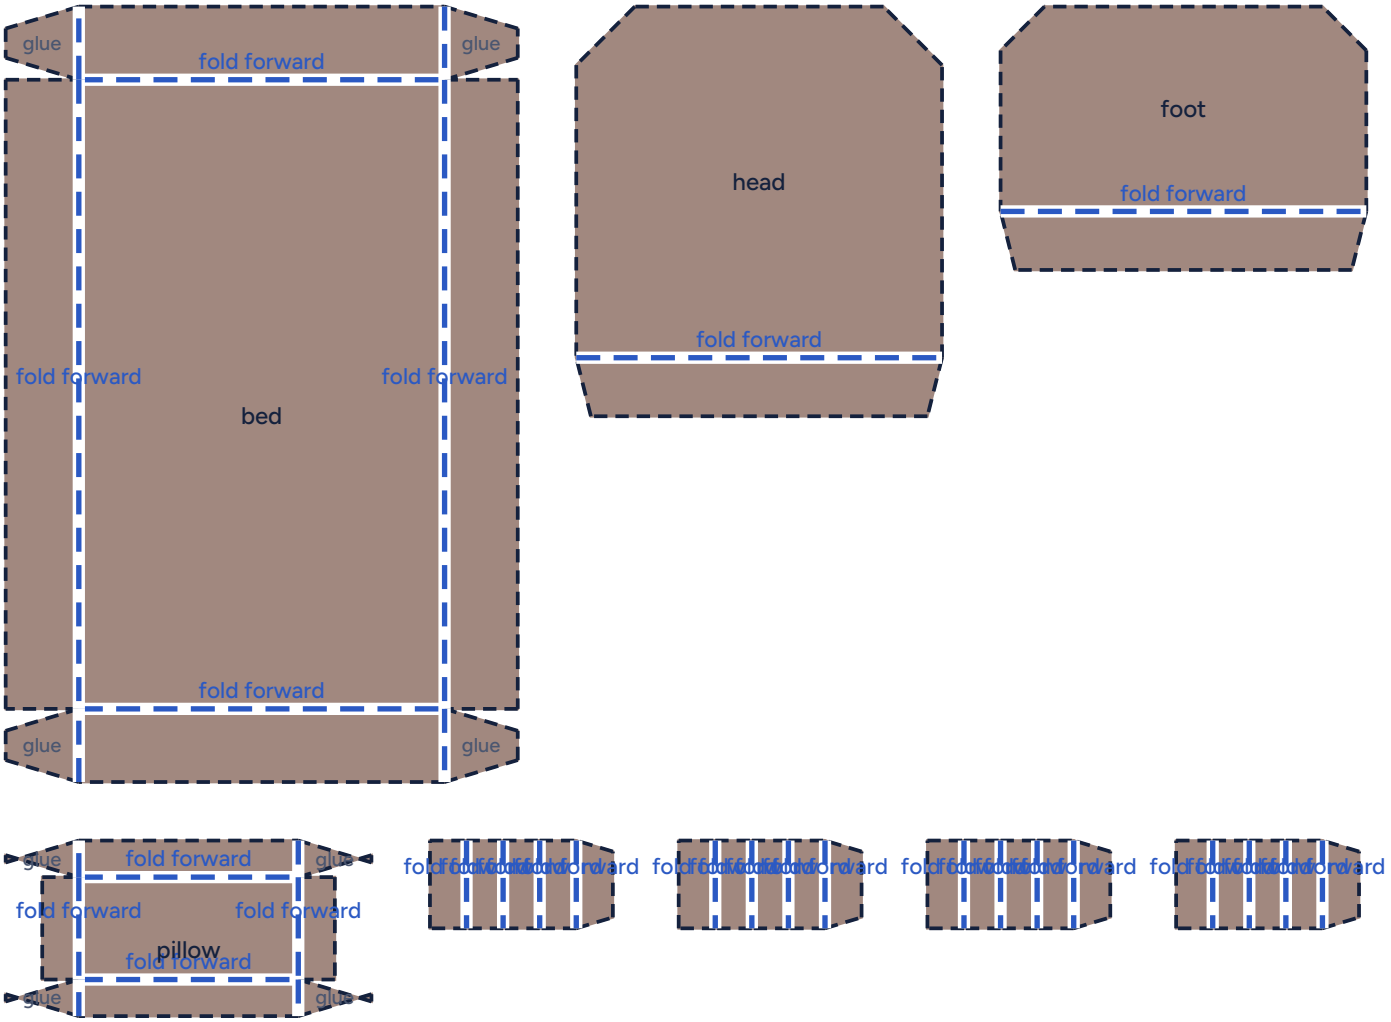

Marker 2: draw little yellow stars on the blanket. Sweet dreams!
