Watch the folds

1 Print the template

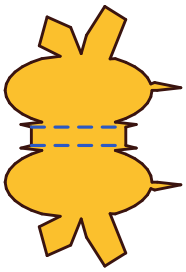

Print the page at 100% on colored paper. The dashed line around the bee is where you cut.

2 Cut it out

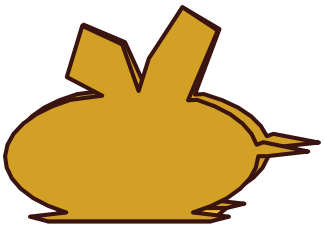

Cut around the whole shape, with a grown-up helping. Keep the two bee shapes joined by the strip in the middle.

3 Fold up both sides

Fold both bee shapes up along the dashed lines, so they lean together and their tops touch.

4 Stand it up

Stand your bee up on the little strip at the bottom.

5 Draw the stripes

Marker 1: draw three wide black stripes across the bee's body.

6 Add the face and wings

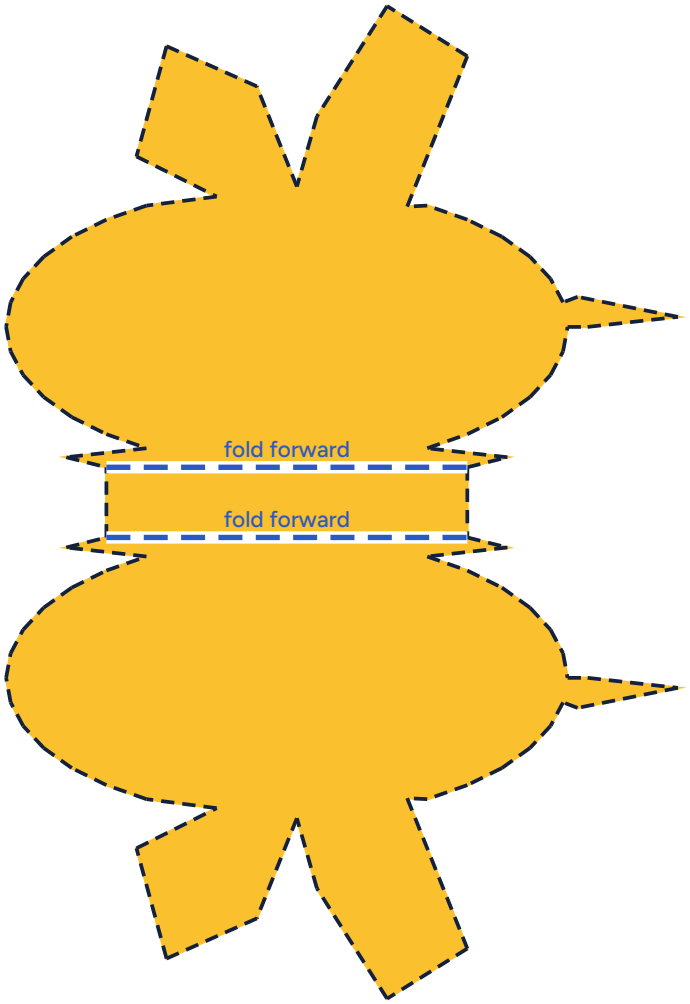

Marker 2: draw an eye and a smile, and light blue lines on the wings. Buzz buzz!
