Watch the folds

1 Print the template

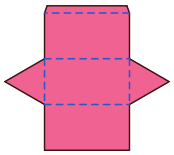

Print the page at 100% on colored paper. The dashed line around the candy box is where you cut.

2 Cut it out

Cut around the whole shape, with a grown-up helping, triangles and tabs too.

3 Fold the box

Fold both triangle ends up. Fold the two long sides up so they lean in and meet at the top.

4 Glue the tabs

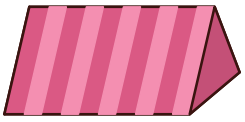

Put glue on each little tab and press it inside the corner next to it.

5 Stand it up

Set your candy box down. Fill it with sweets through one end before you glue it.

6 Draw the stripes

Marker 1: draw pink stripes on the front side.

7 Draw the sweets

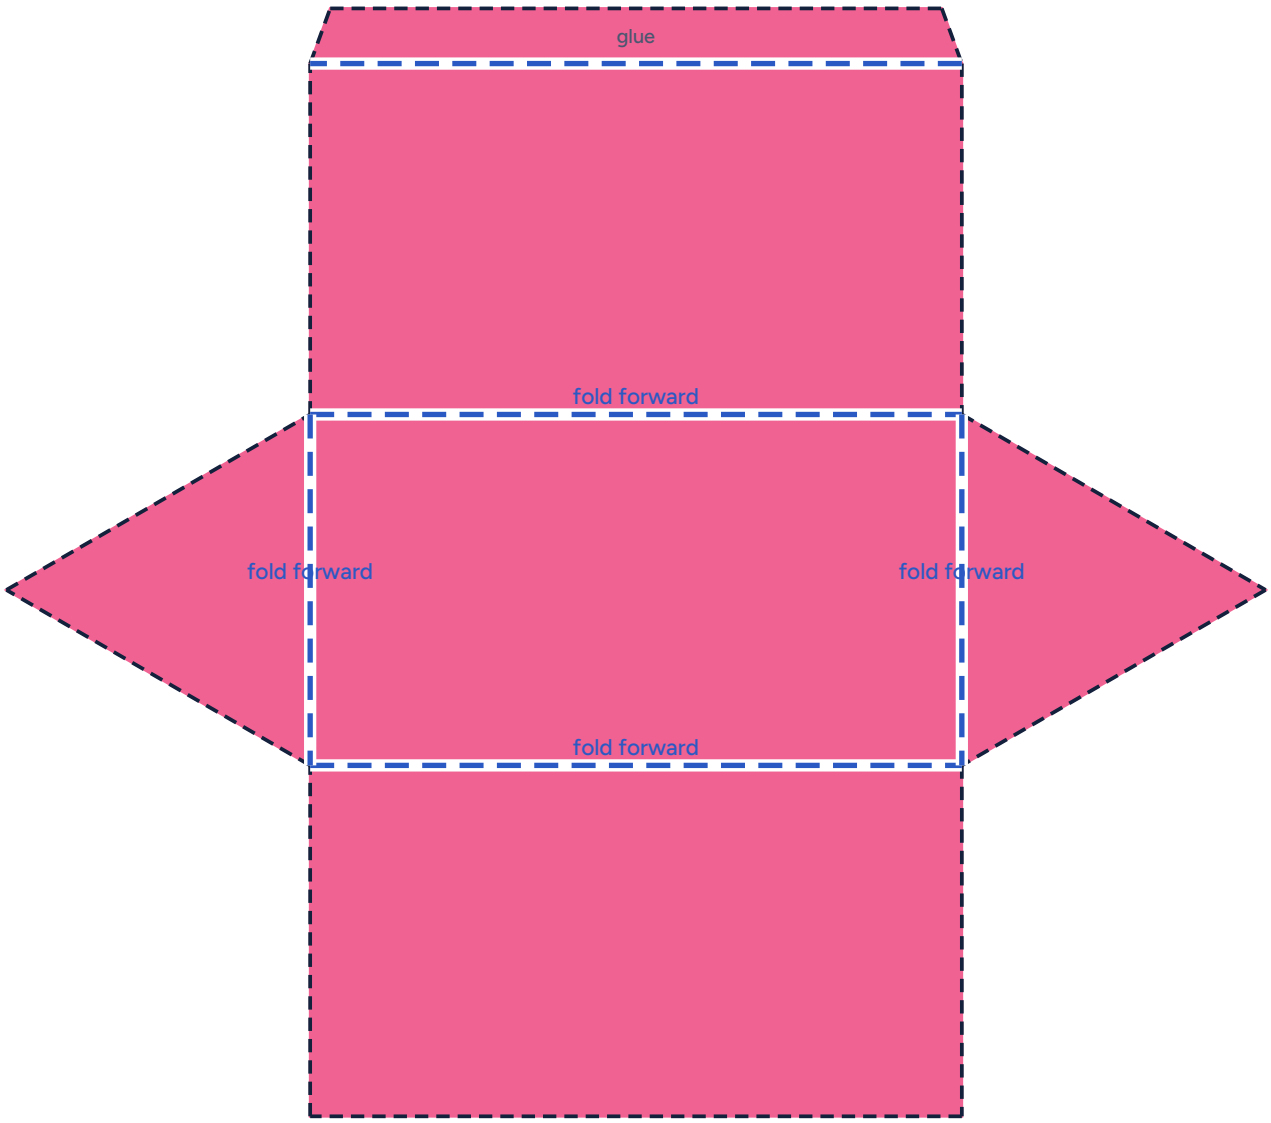

Marker 2: draw two wrapped sweets on the front, and dots on the ends.
