Watch the folds

1 Print the template

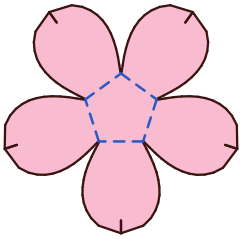

Print the page at 100% on colored paper. The dashed line around the cherry blossom is where you cut.

2 Cut it out

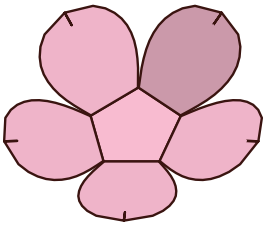

Cut around the whole flower shape, with a grown-up helping. Go slowly around each petal.

3 Fold up the petals

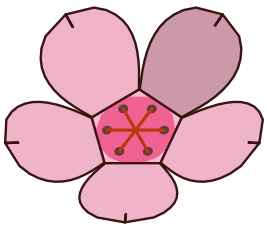

Fold every petal up along the dashed line at its base, so the flower opens like a cup.

4 Stand it up

Set your cherry blossom down, with the petals cupped up.

5 Color the middle

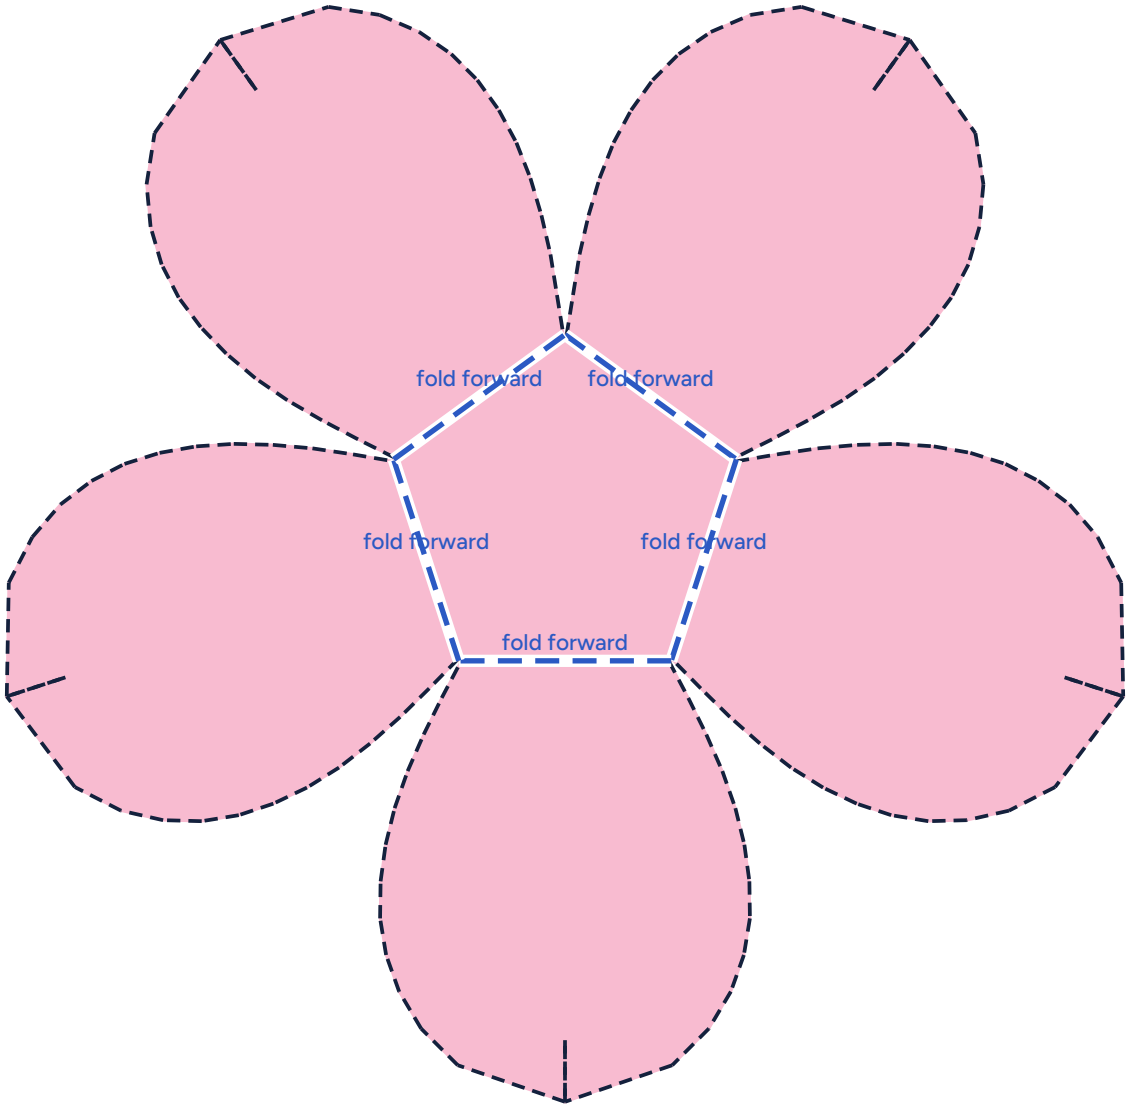

Marker 1: color the round middle of the cherry blossom, and draw little stamens.
