Watch the folds

1 Print the template

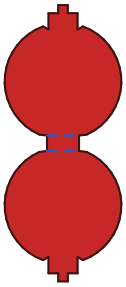

Print the page at 100% on colored paper. The dashed line around the Christmas bauble is where you cut.

2 Cut it out

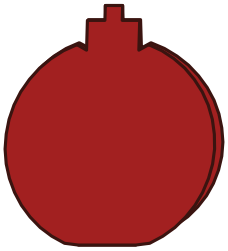

Cut around the whole shape, with a grown-up helping. Keep the two Christmas bauble shapes joined by the strip in the middle.

3 Fold up both sides

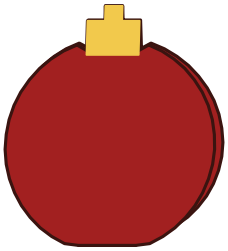

Fold both Christmas bauble shapes up along the dashed lines, so they lean together and their tops touch.

4 Stand it up

Stand your Christmas bauble up on the little strip at the bottom.

5 Color the cap

Marker 1: color the cap at the top gold.

6 Decorate the bauble

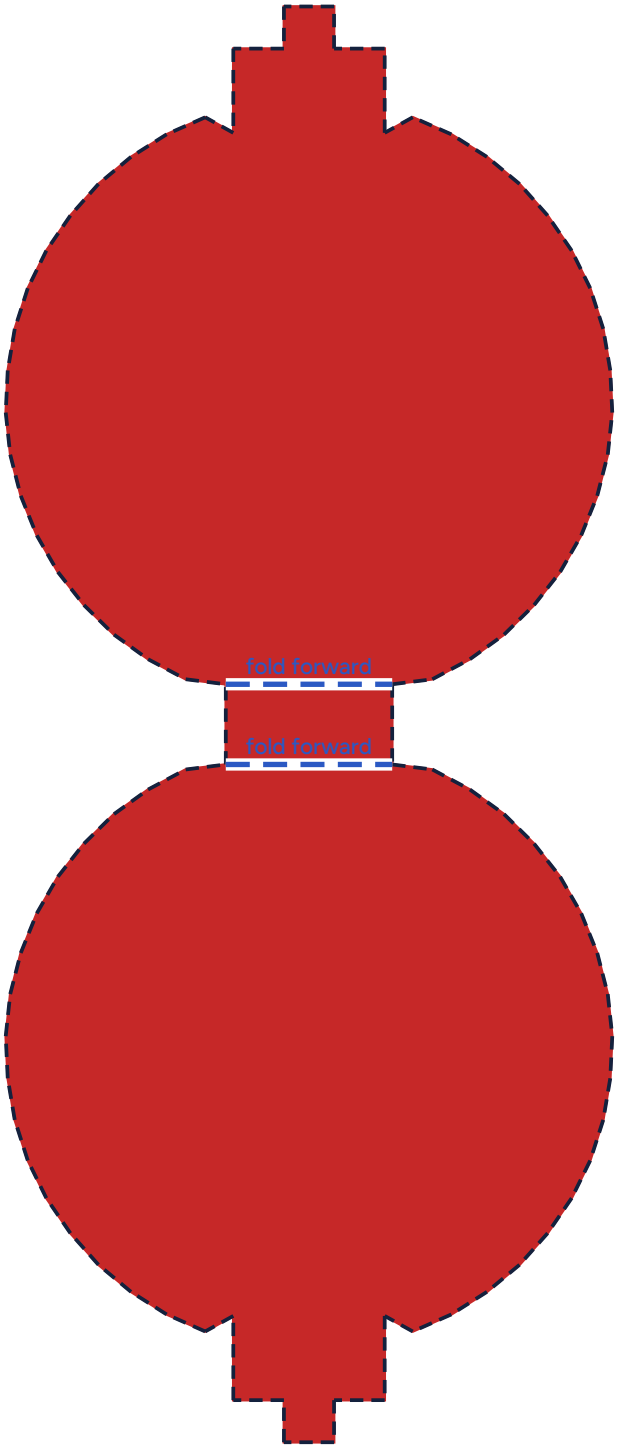

Marker 2: draw a white zigzag across the middle, and dots above and below it.
