Easy Origami Crocodile

Simple step-by-step paper folding art. Ages 7+

Watch the folds

1 Print the template

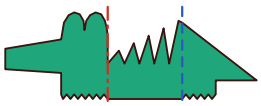

Print the page at 100% on colored paper. The dashed line around the crocodile is where you cut.

2 Cut it out

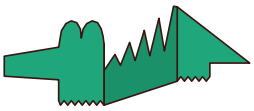

Cut along the outside line, with a grown-up helping. Cut slowly around the bumps and spikes.

3 Fold the zigzag

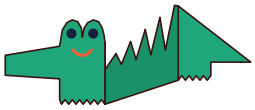

Fold on the dashed lines. Blue lines fold forward, red lines fold back, like a zigzag.

4 Stand it up

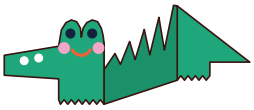

Stand your crocodile up on its feet, with the zigzag open.

5 Draw the eyes and smile

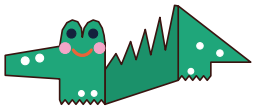

Marker 1: draw two round black eyes, and a big orange smile.

6 Add the cheeks and nostrils

Marker 2: color two pink cheeks, and two white dots on the nose.

7 Add the spots

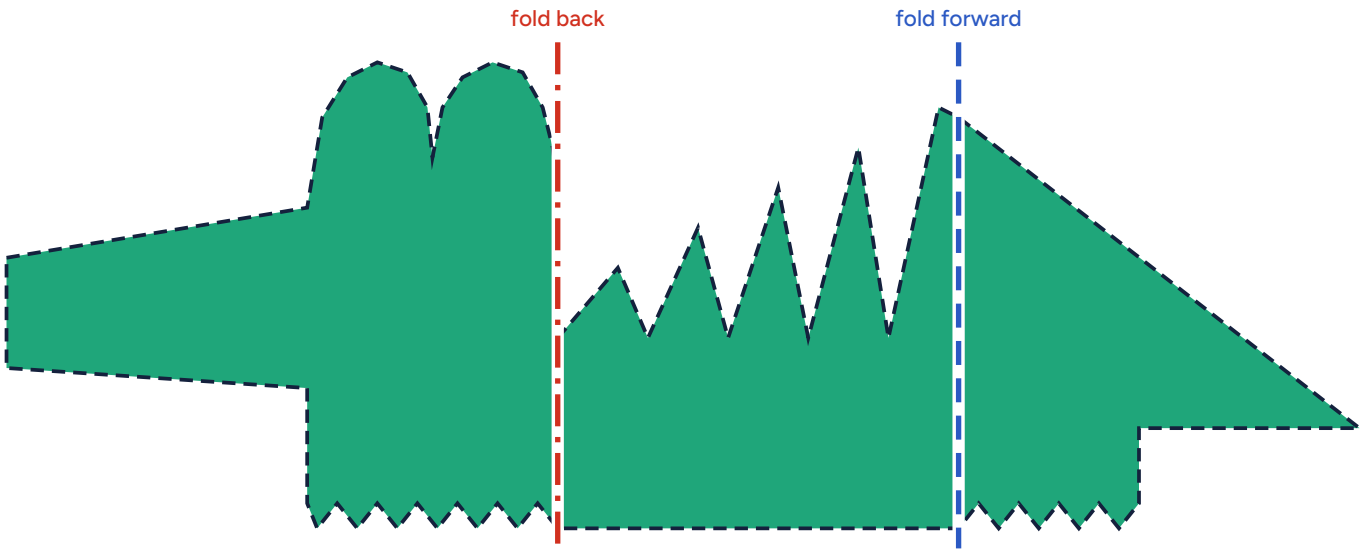

Marker 3: draw white spots on the tail and the legs.

Template for your crocodile

Print at 100% on colored paper or card. Cut along the dashed line with a grown-up helping. Fold on the blue lines forward and the red lines back.

Watch the folds

Print at 100% (actual size). Cut on the dashed line. A grown-up helps with the scissors.
