Watch the folds

1 Print the template

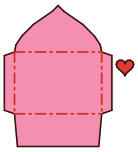

Print the page at 100% on colored paper. The dashed line around the heart envelope is where you cut.

2 Cut it out

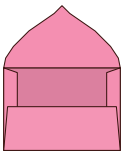

With a grown-up helping, cut out the envelope shape, flaps and all, and the red heart sticker.

3 Fold the flaps

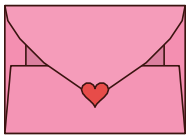

Turn the envelope over. Fold the two side flaps in, then fold the bottom flap up over them.

4 Glue the pocket

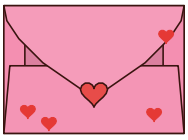

Put glue on the side flaps and press the bottom flap onto them. Now it is a pocket.

5 Seal it with a heart

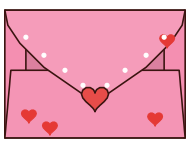

Put a card or a note inside. Fold the top flap down and stick the red heart sticker on its point.

6 Draw little hearts

Marker 1: draw little red hearts on the back of the envelope.

7 Add a lacy edge

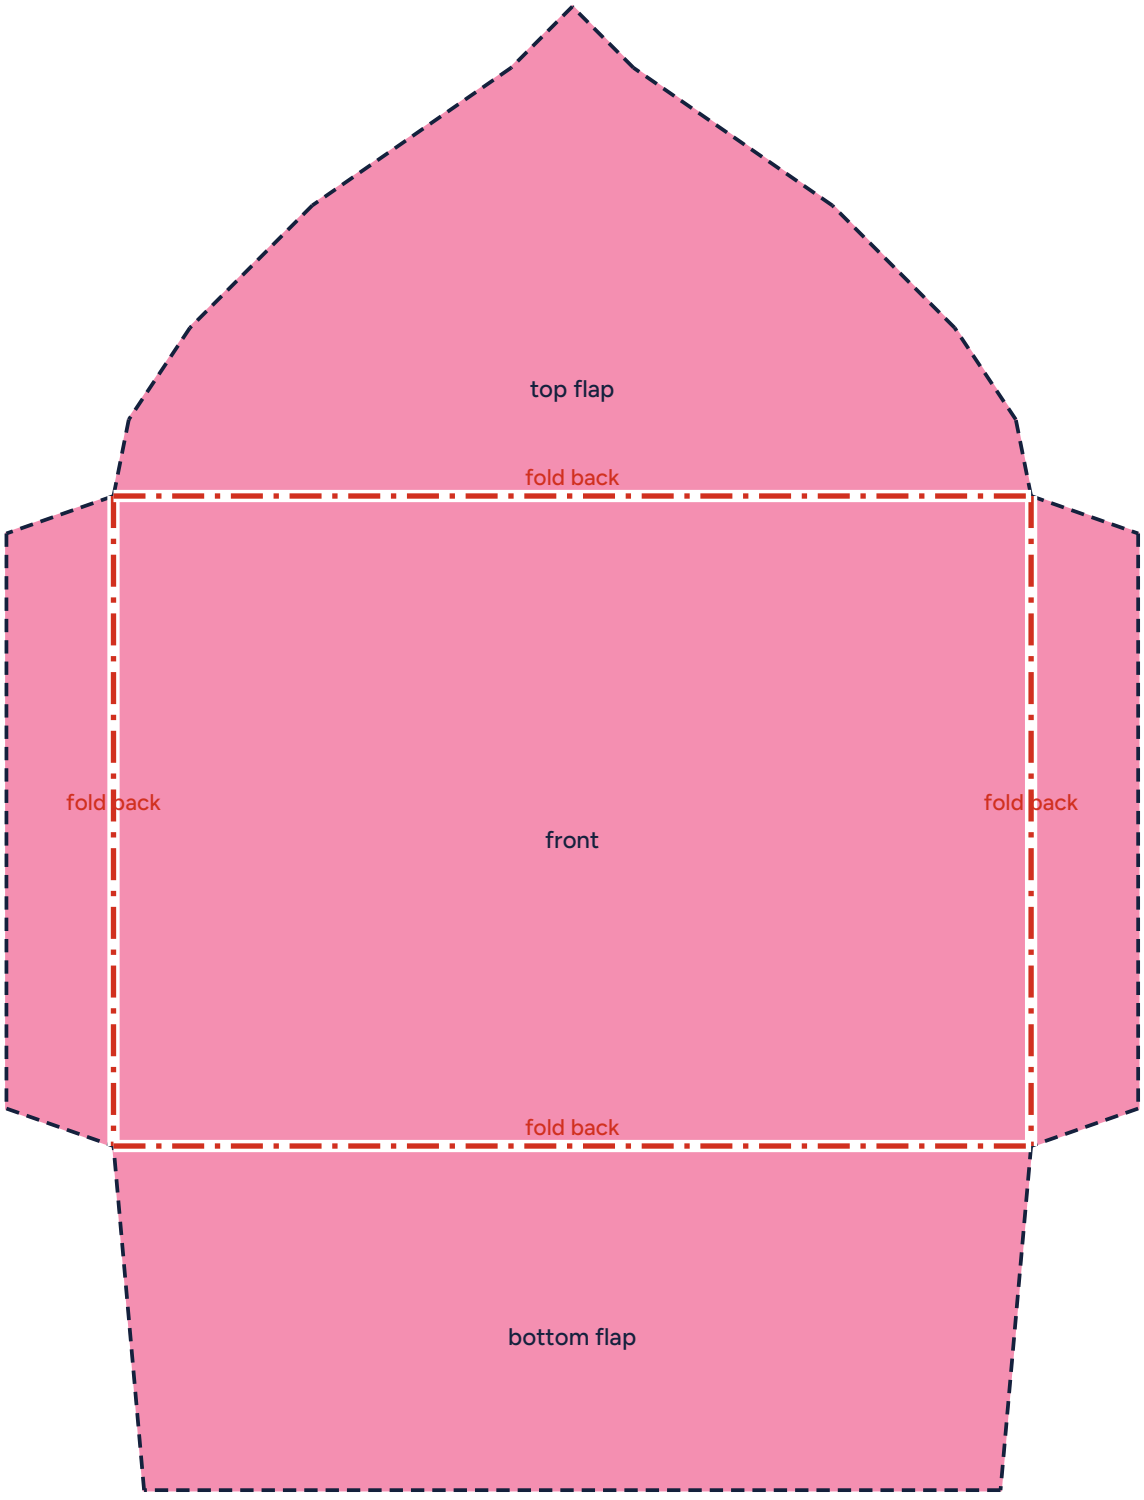

Marker 2: draw white dots along the edge of the top flap, like lace. With love!
