Easy Origami Paper Hat

Simple step-by-step paper folding art. Ages 4+ (6+ alone)

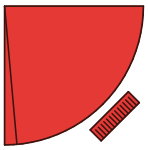

Watch the folds

1 Print the template

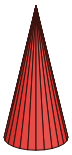

Print the page at 100% on colored paper. The dashed line around the party hat is where you cut.

2 Cut it out

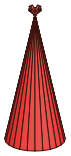

With a grown-up helping, cut out the quarter circle and the small fringe strip.

3 Make the cone

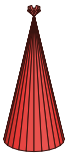

Curl the quarter circle round so the plain straight edge slides over the glue strip. Glue it there: now it is a cone.

4 Add the pompom

Snip the fringe, roll it up tight and glue the end. Glue it into the tip, then fluff it out.

5 Wear your hat

Tape a string or elastic inside the rim, side to side. Put the hat on and tuck the string under your chin.

6 Draw the stripes

Marker 1: draw yellow stripes around the hat.

7 Add the confetti

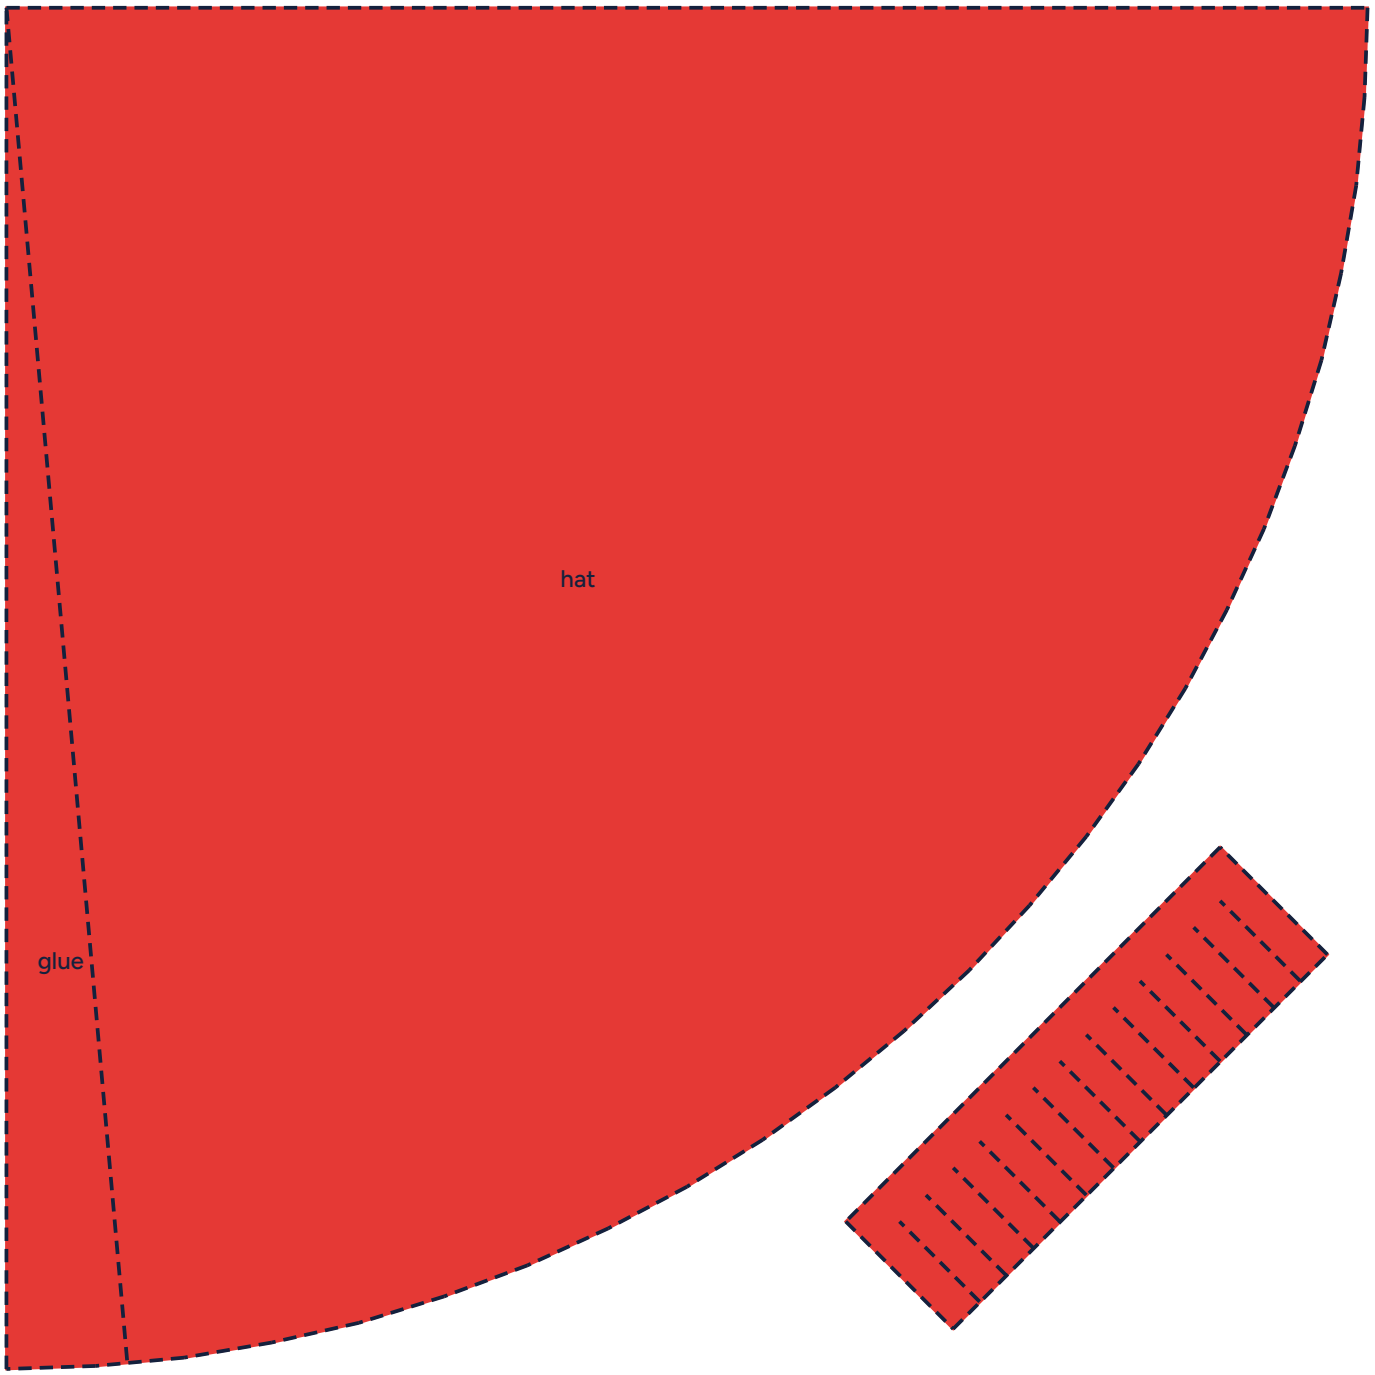

Marker 2: draw little colorful dots between the stripes.
