Watch the folds

1 Print the template

Print the page at 100% on colored paper. The dashed line around the red envelope is where you cut.

2 Cut it out

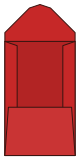

With a grown-up helping, cut out the envelope shape, flaps and all.

3 Fold the flaps

Turn the envelope over. Fold the two side flaps in, then fold the bottom flap up over them.

4 Glue the pocket

Put glue on the side flaps and press the bottom flap onto them. Now it is a pocket.

5 Fill it and close it

Put a lucky note or a coin inside, fold the pointed top flap down and tuck it in.

6 Draw a lucky coin

Marker 1: draw a big gold ring in the middle, with a gold dot inside it.

7 Add a gold border

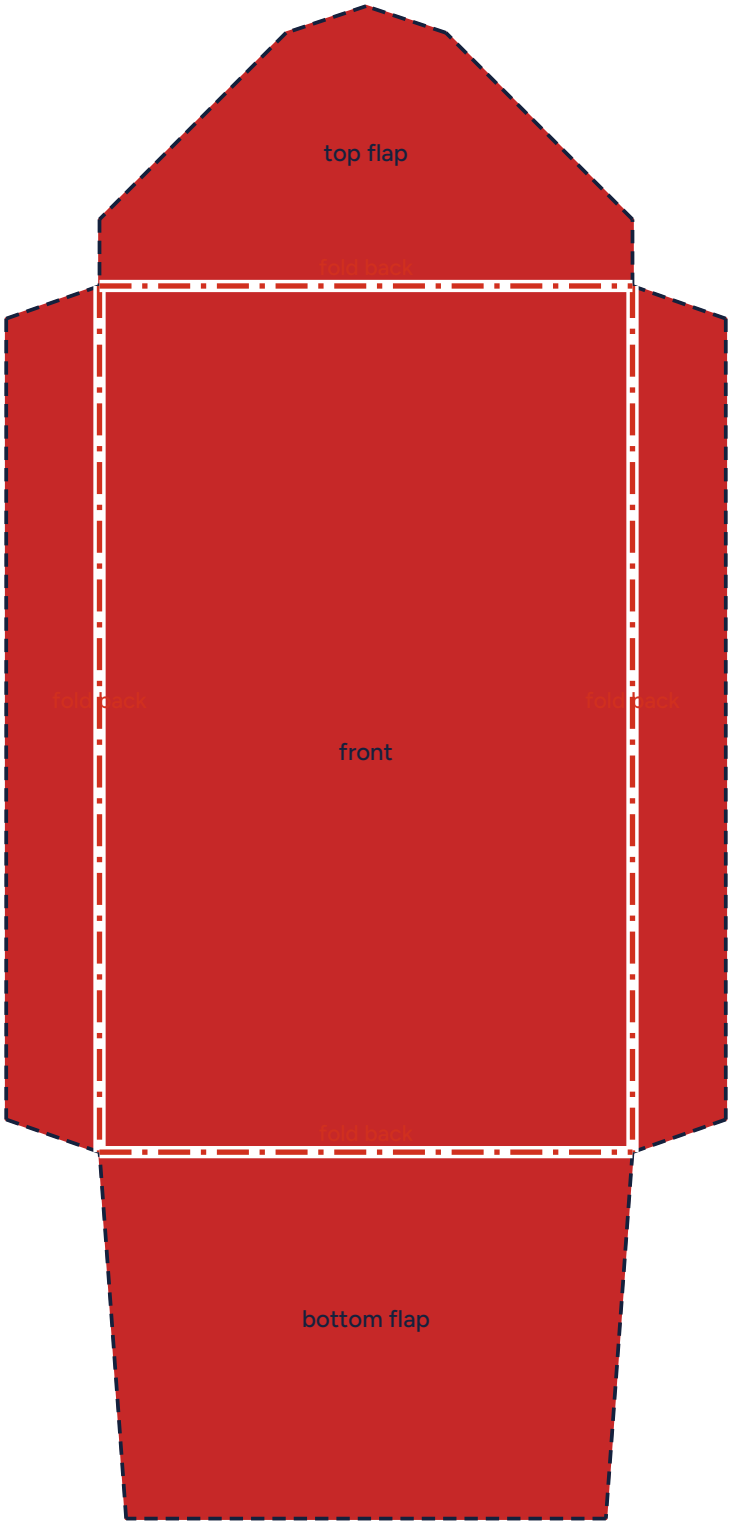

Marker 2: draw a gold line all round the edge, and gold dots in the corners. Happy New Year!
