Easy Origami Rose

Simple step-by-step paper folding art. Ages 7+

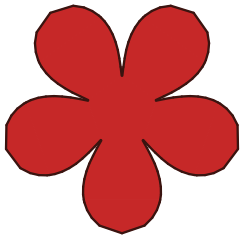

Watch the folds

1 Print the template

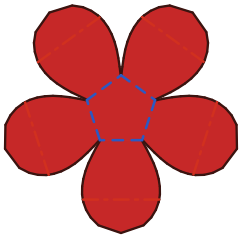

Print the page at 100% on colored paper. The dashed line around the rose is where you cut.

2 Cut it out

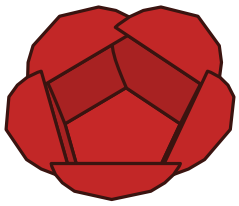

Cut around the whole flower shape, with a grown-up helping. Go slowly around each petal.

3 Fold up the petals

Fold every petal up tight along the dashed line at its base, then fold each top back along the red line.

4 Stand it up

Set your rose down, with the petals cupped up.

5 Color the middle

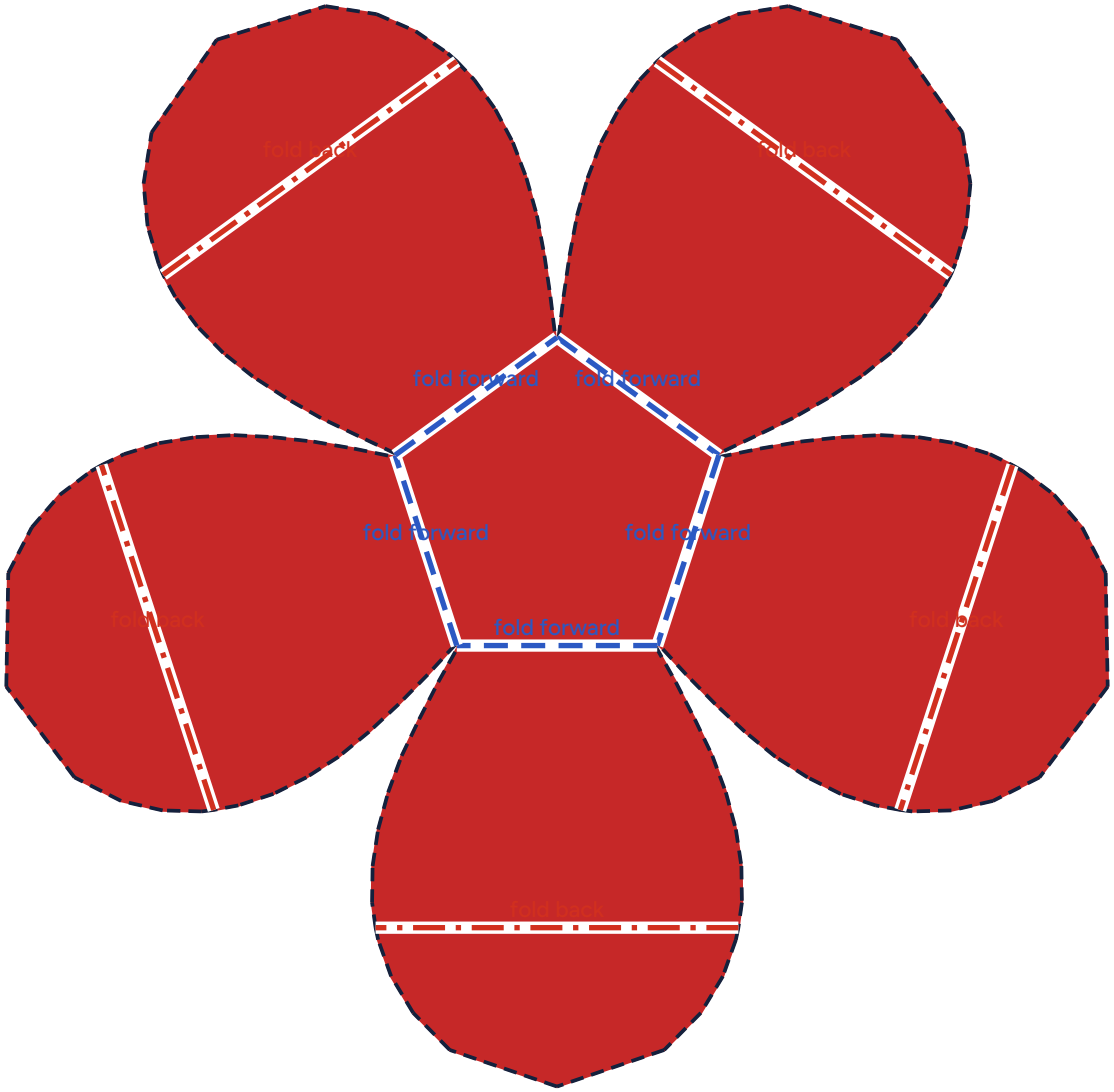

Marker 1: color the round middle of the rose, and draw a swirl.

Template for your rose

Print at 100% on colored paper or card. Cut along the dashed line with a grown-up helping. Fold on the blue lines forward and the red lines back.

Watch the folds

Print at 100% (actual size). Cut on the dashed line. A grown-up helps with the scissors.
