Watch the folds

1 Print the template

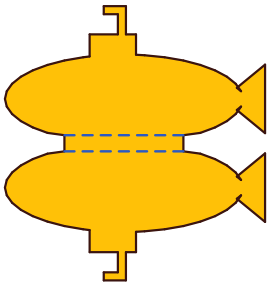

Print the page at 100% on colored paper. The dashed line around the submarine is where you cut.

2 Cut it out

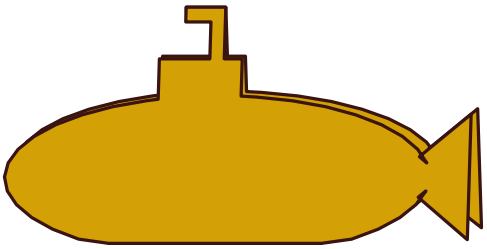

Cut around the whole shape, with a grown-up helping. Keep the two submarine shapes joined by the strip in the middle.

3 Fold up both sides

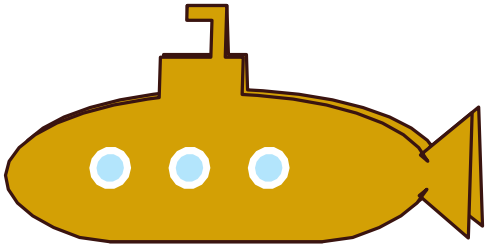

Fold both submarine shapes up along the dashed lines, so they lean together and their tops touch.

4 Stand it up

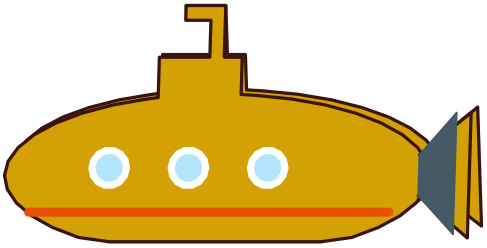

Stand your submarine up on the little strip at the bottom.

5 Draw the portholes

Marker 1: draw three round portholes along the side.

6 Add the stripes and propeller

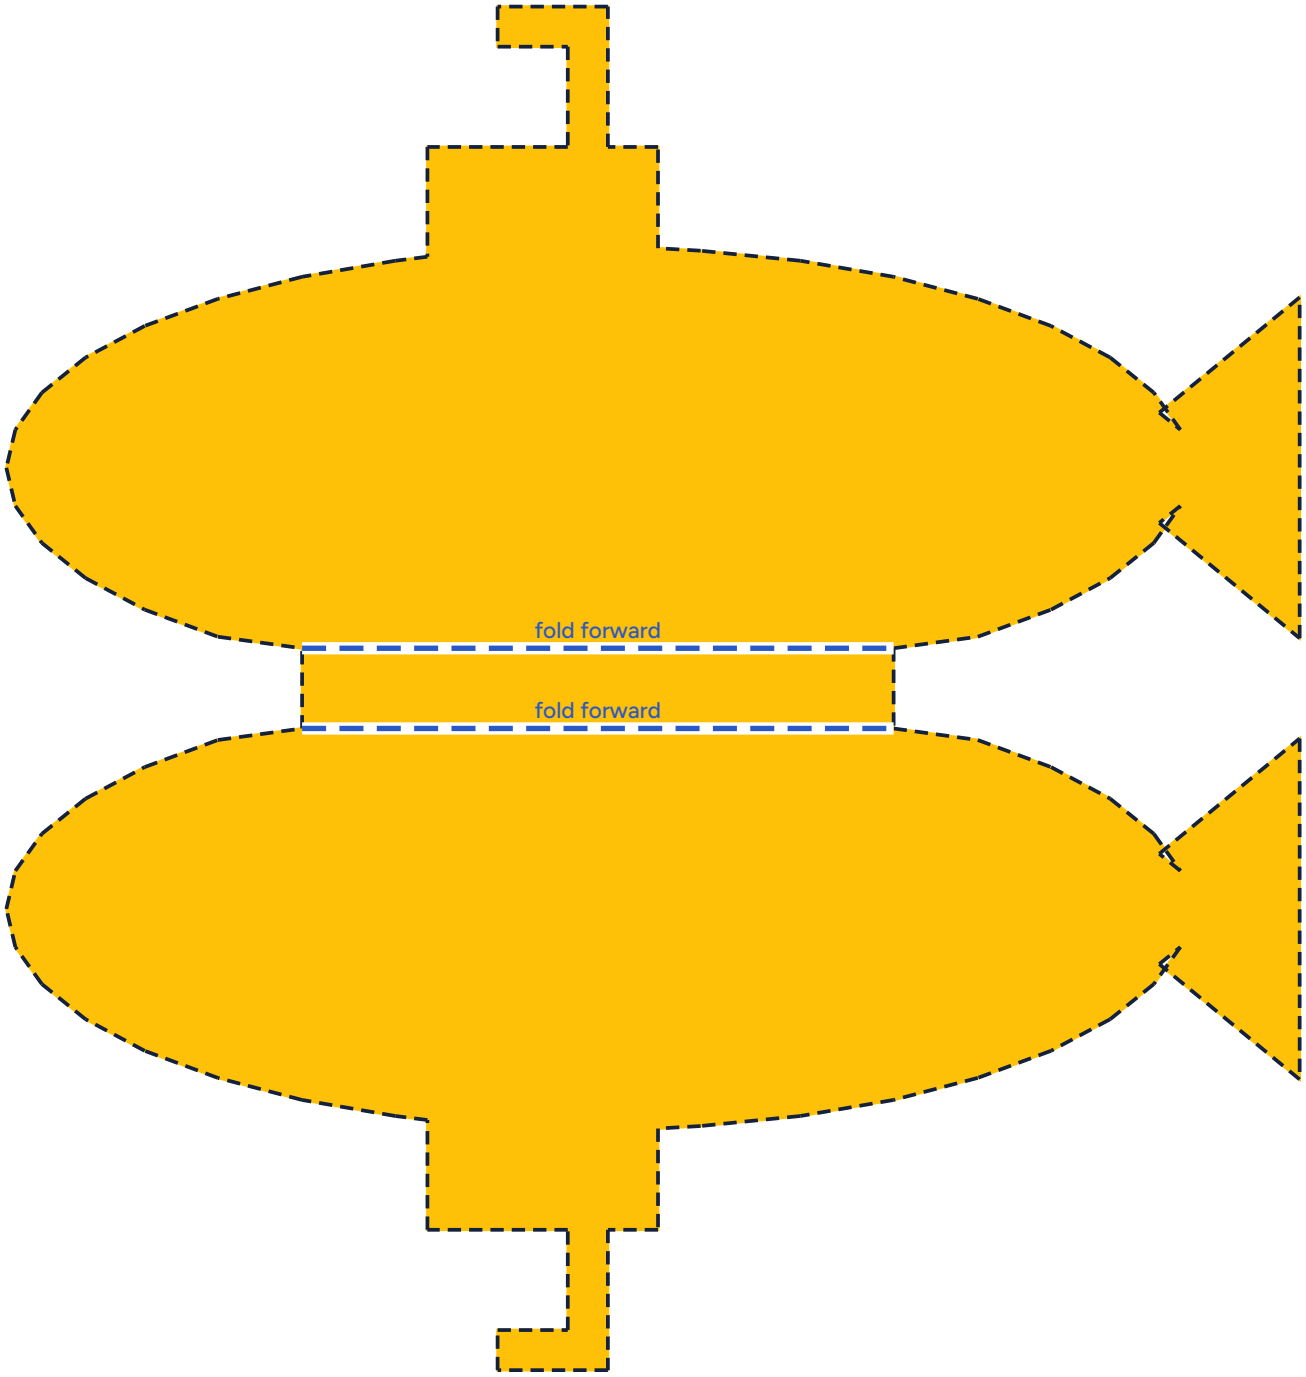

Marker 2: draw a stripe along the hull, and color the tail fin.
