Watch the folds

1 Print the template

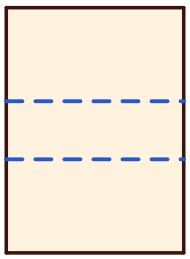

Print the page at 100% on colored paper. The dashed line around the turkey place card is where you cut.

2 Cut it out

Cut around the whole shape, with a grown-up helping. Keep the two turkey place card shapes joined by the strip in the middle.

3 Fold up both sides

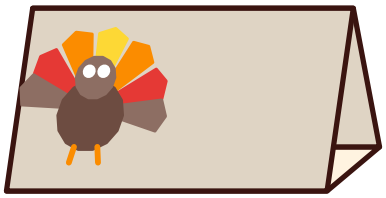

Fold both turkey place card shapes up along the dashed lines, so they lean together and their tops touch.

4 Stand it up

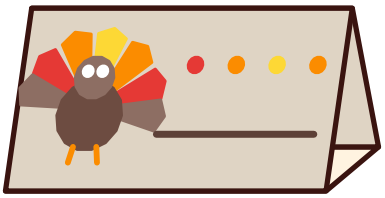

Stand your place card up on the table, at the place where your guest will sit.

5 Draw the turkey

Marker 1: draw a round brown turkey with a fan of red, orange and yellow feathers.

6 Add the name line

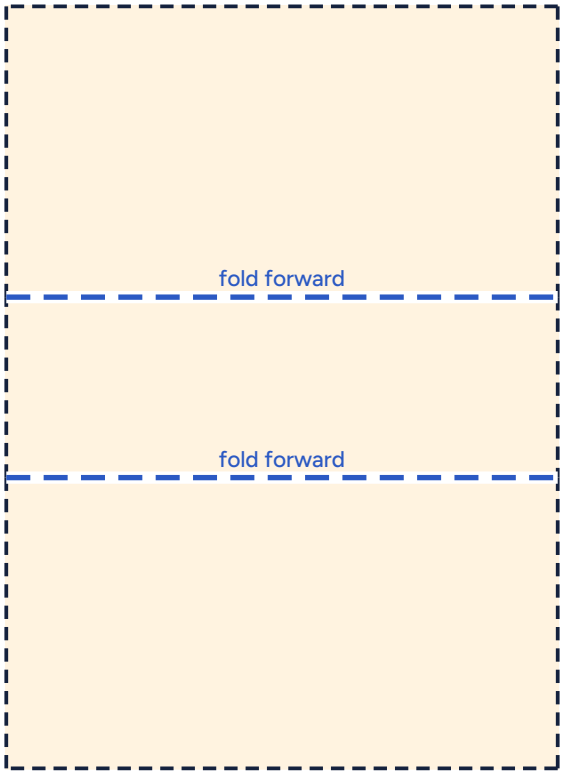

Marker 2: draw a line for a name, and colorful dots above it. Write a guest's name on it!
