Easy Origami Wallet

Simple step-by-step paper folding art. Ages 4+ (6+ alone)

Watch the folds

1 Print the template

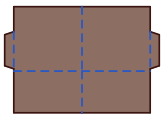

Print the page at 100% on colored paper. The dashed line around the wallet is where you cut.

2 Cut it out

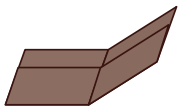

With a grown-up helping, cut around the outside line, with the two little tabs.

3 Fold up the pockets

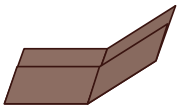

Fold the bottom strip up along its line to make the pockets. Crease the middle line too.

4 Glue the side tabs

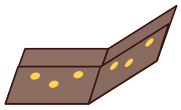

Fold each side tab over the pocket and glue it down, so the pocket stays shut at the sides.

5 Close your wallet

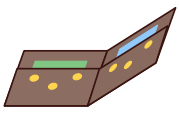

Fold the wallet in half along the middle line, with the pockets inside.

6 Decorate the pockets

Marker 1: draw stars or your name on the pockets.

7 Fill your wallet

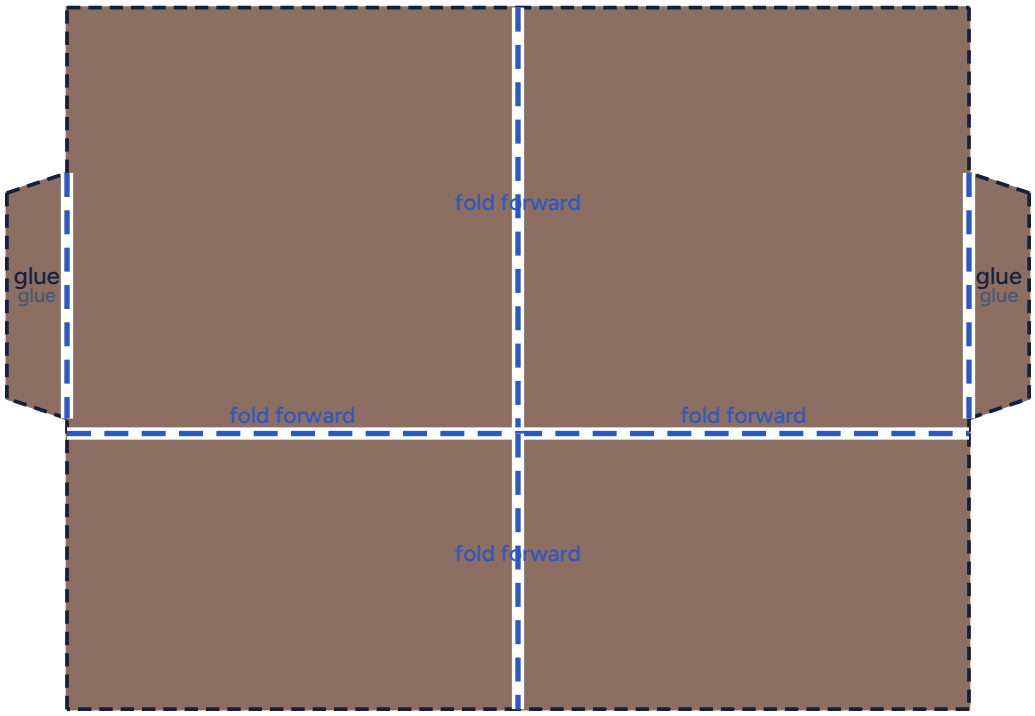

Marker 2: draw a play bill and a card, and slide them into the pockets.

Template for your wallet

Print at 100% on colored paper or card. Cut along the dashed line with a grown-up helping. Fold on the blue lines forward and the red lines back.

Watch the folds

Print at 100% (actual size). Cut on the dashed line. A grown-up helps with the scissors.
