Easy Origami Pumpkin

Simple step-by-step paper folding art. Ages 4+ (6+ alone)

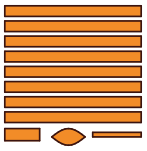

Watch the folds

1 Print the template

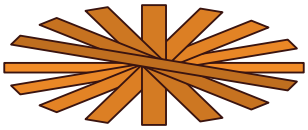

Print the page at 100% on colored paper. The dashed line around the pumpkin is where you cut.

2 Cut it out

With a grown-up helping, cut out the eight long strips, the stem, the leaf and the vine.

3 Make a star

Glue the strips across each other at their + marks, one on top of the next, so they make a star.

4 Make the ball

Bring each strip end up over the top and glue it in the middle, one on the next. Now it is a round pumpkin.

5 Add the stem and leaf

Roll the stem strip and glue it on top, with the leaf beside it. Curl the vine round a pencil and glue it on.

6 Color the stem and leaf

Marker 1: color the stem and the leaf green.

7 Draw a face

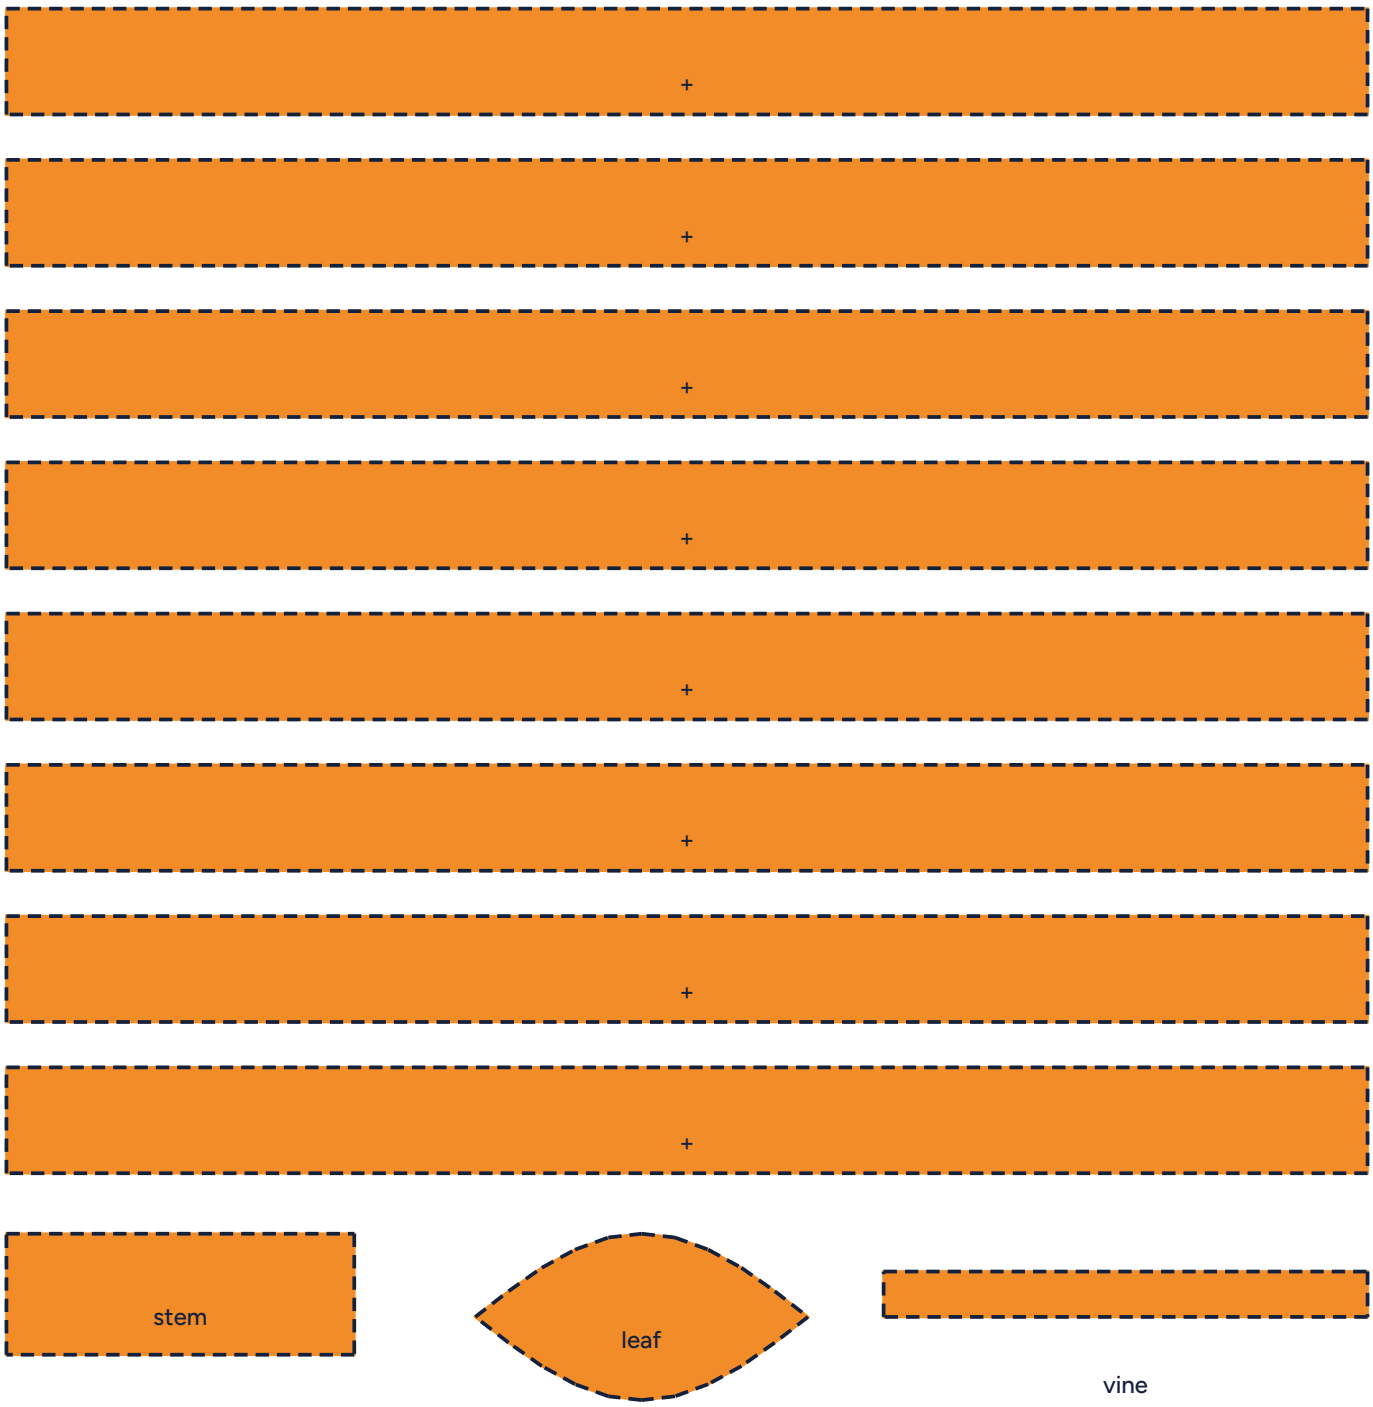

Marker 2: draw two triangle eyes, a triangle nose and a zigzag mouth on the front.

Template for your pumpkin

Print at 100% on colored paper or card. Cut along the dashed line with a grown-up helping. Fold on the blue lines forward and the red lines back.

Watch the folds

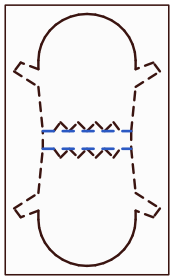

Print at 100% (actual size). Cut on the dashed line. A grown-up helps with the scissors.

Easy Origami Ghost

Simple step-by-step paper folding art. Ages 4+ (6+ alone)

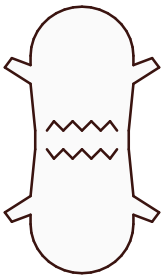

Watch the folds

1 Print the template

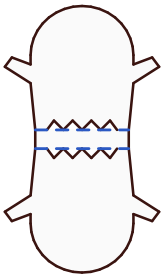

Print the page at 100% on colored paper. The dashed line around the ghost is where you cut.

2 Cut it out

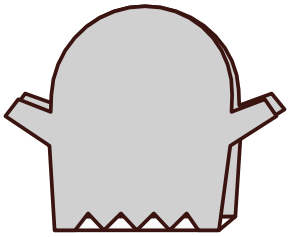

Cut around the whole shape, with a grown-up helping. Keep the two ghost shapes joined by the strip in the middle.

3 Fold up both sides

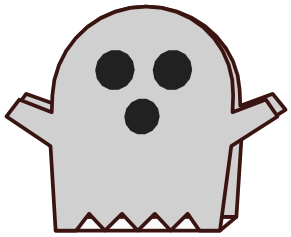

Fold both ghost shapes up along the dashed lines, so they lean together and their tops touch.

4 Stand it up

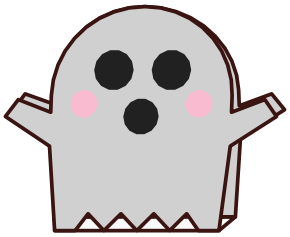

Stand your ghost up on the little strip at the bottom.

5 Draw the spooky face

Marker 1: draw two big black eyes and a round open mouth.

6 Add rosy cheeks

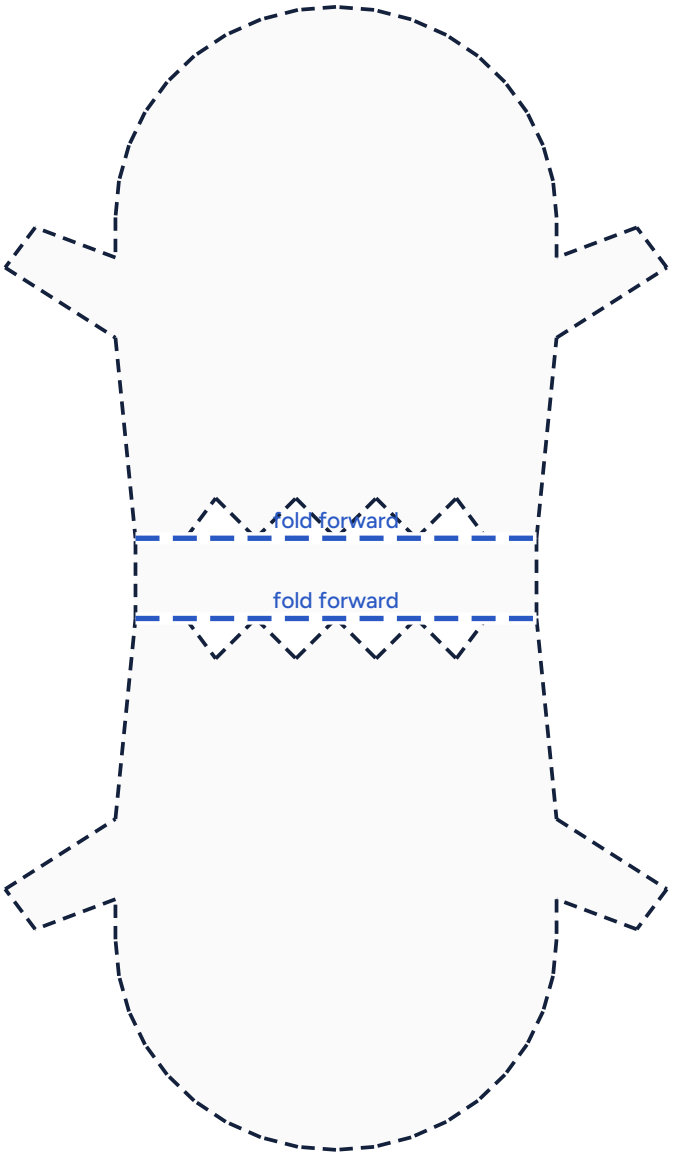

Marker 2: draw pink cheeks so your ghost looks friendly. Boo!

Template for your ghost

Print at 100% on colored paper or card. Cut along the dashed line with a grown-up helping. Fold on the blue lines forward and the red lines back.

Print at 100% (actual size). Cut on the dashed line. A grown-up helps with the scissors.

Easy Origami Bat

Simple step-by-step paper folding art. Ages 4+ (6+ alone)

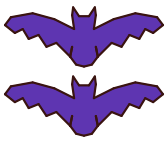

Watch the folds

1 Print the template

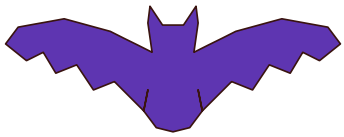

Print the page at 100% on colored paper. The dashed line around the bat is where you cut.

2 Cut it out

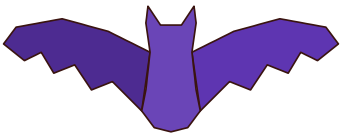

With a grown-up helping, cut out both bats. Go slowly round the wing points.

3 Glue the two bats

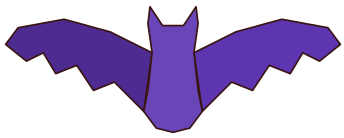

Spread glue all over the back of one bat and press the other bat on it, edges lined up.

4 Bend the wings

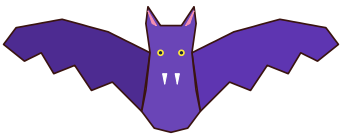

Bend each wing forward a little along the line beside the body, so the bat looks like it is flying.

5 Hang it up

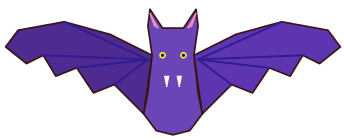

Tape a piece of thread behind the head and hang your bat up. Swoosh!

6 Draw the face

Marker 1: draw yellow eyes, little white fangs and pink ears.

7 Add wing bones

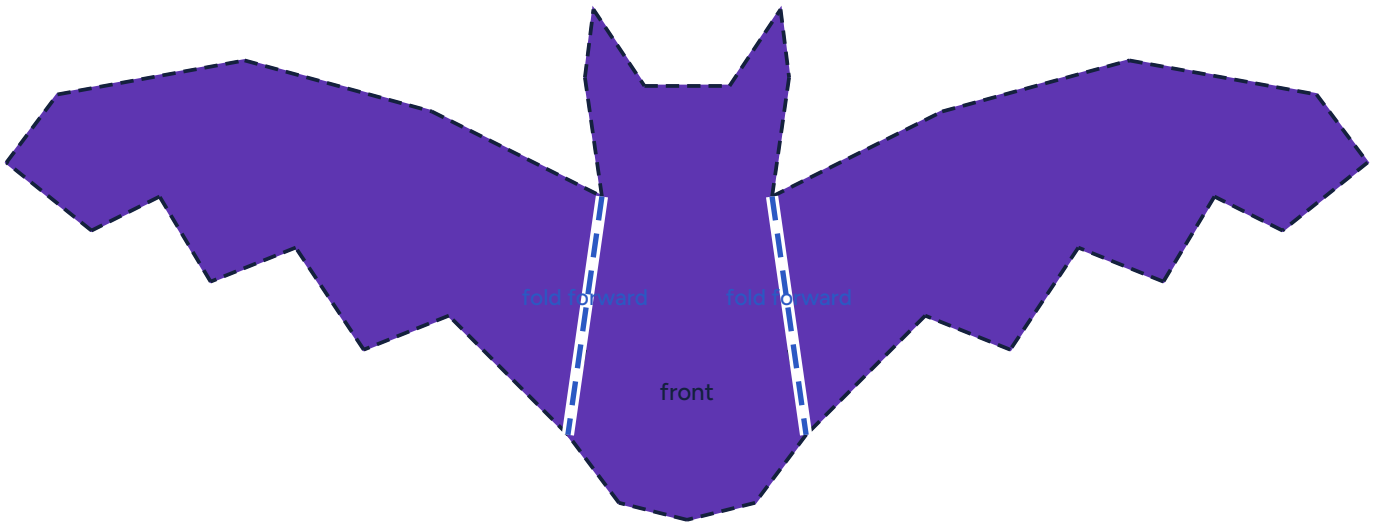

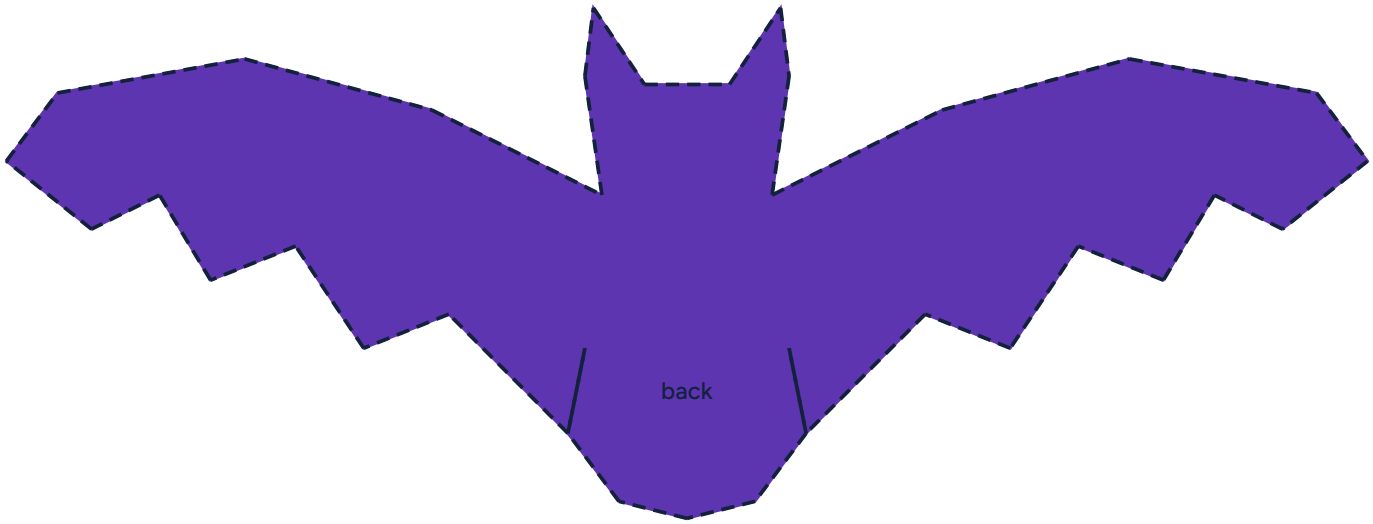

Marker 2: draw dark lines across the wings, like little bones. Spooky!

Easy Origami Witch Hat

Simple step-by-step paper folding art. Ages 4+ (6+ alone)

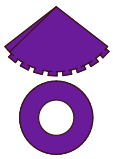

Watch the folds

1 Print the template

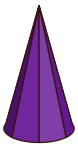

Print the page at 100% on colored paper. The dashed line around the witch hat is where you cut.

2 Cut it out

With a grown-up helping, cut out the curved hat piece with its tabs, and the round brim. Cut out the brim's middle too.

3 Make the cone

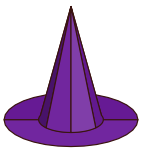

Roll the curved piece into a tall cone, so the plain edge slides over the glue strip. Glue it there.

4 Add the brim

Fold the little tabs at the bottom of the cone outward. Put glue on them and push the cone into the brim's hole.

5 Stand it up

Stand your witch hat on the table. It is just right for a teddy, a doll or a spooky shelf.

6 Draw the band

Marker 1: draw a wide black band round the bottom of the hat, with a yellow buckle.

7 Add stars and a moon

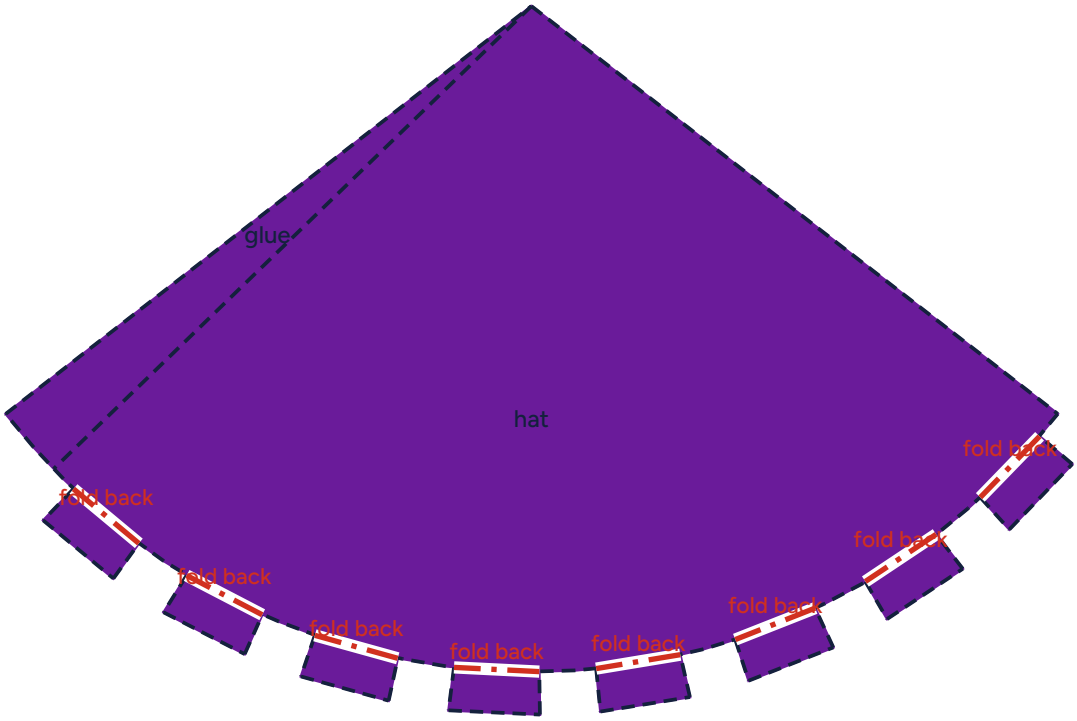

Marker 2: draw little yellow stars and a moon on the hat.

Easy Origami Mask

Simple step-by-step paper folding art. Ages 7+

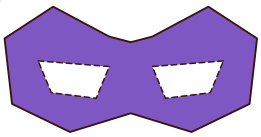

Watch the folds

1 Print the template

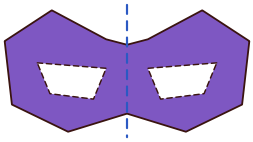

Print the page at 100% on colored paper. The dashed line around the mask is where you cut.

2 Cut it out

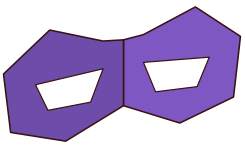

Cut around the mask, then cut out the two eye holes, with a grown-up helping. Take your time on the corners.

3 Fold down the nose

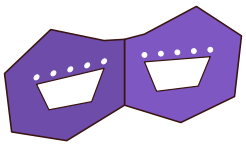

Fold on the dashed line down the middle, so the mask bends like an open book.

4 Stand it up

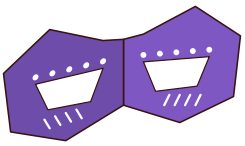

Stand it up with the two sides open, like a V.

5 Draw the dots

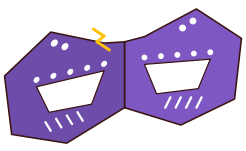

Marker 1: draw a row of white dots above each eye hole.

6 Add the swirls

Marker 2: draw wavy white lines under each eye hole.

7 Color the pointed corners

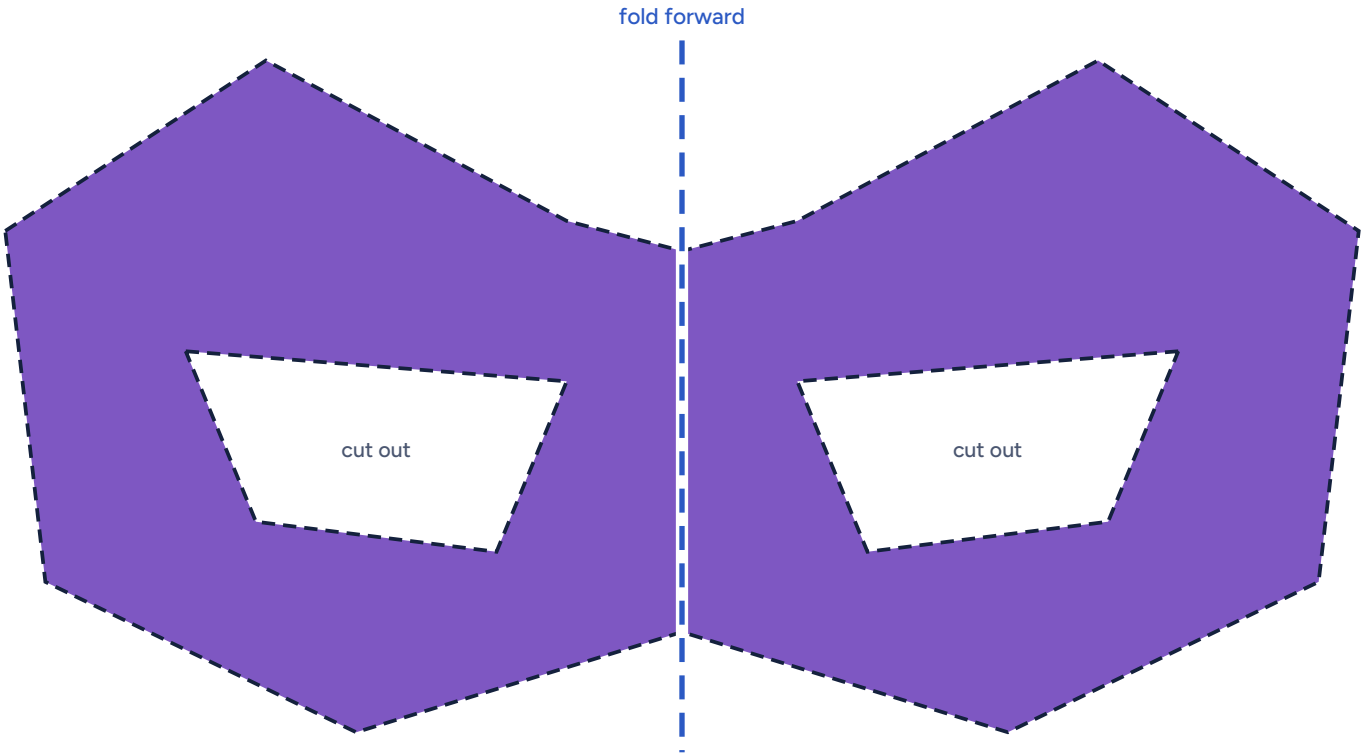

Marker 3: draw a lightning bolt on the forehead, and dots on the two pointed corners.
